

Steps to Get Started

STEP 1

- Learner completes Anytime ESL online registration form/submits fillable form registration.

STEP 2

- Registration form is received and processed by Anytime ESL staff.
- Learner is contacted for more information to determine eligibility.

STEP 3

- Learner is assigned an online teacher; sent an email with instructions.
- Learner is asked to email teacher and tell them about themselves.

STEP 4

- Learner is contacted by teacher to discuss goal and curriculum needs.
- Course LOGIN information/instructions are sent to Learner by email.

STEP 5

- Learner starts online courses, beginning with "Getting Started".
- Teacher monitors/marks learner's work, communicates progress, shares assessment results.

IMPORTANT NOTES

- To determine Learner Readiness for online learning with Anytime ESL, see the [Readiness Checklist](#)
- It is important that the learner can communicate with their teacher – by text, by email, by phone, by video, or with help from another person. Please tell your teacher which way you prefer.
